GENERAL INFORMATION

Nature of the College

Chowan College is a two-year, co-educational college, supported by the Baptist State Convention of North Carolina.

Chowan College follows in the time-honored tradition of smaller, church-related colleges where one finds such advantages as a real sense of "belonging" to the college family, instruction based on Christian presuppositions, economy in tuition and boarding expenses and definite interest in the individual on the part of the faculty and administration.

Chowan is the second largest two-year college related to the Southern Baptist Convention and the second oldest (1848) of North Carolina's seven Baptist colleges.

This co-educational institution has celebrated an unprecedented period of progress in growth and service as an institution of Christian Higher Education. The total enrollment is over 1,200 students. The plant evaluation is over \$10,500,000. However, the trustees and administration are determined that quality rather than quantity shall ever be the primary consideration. They realize that the smaller, well-equipped and accredited junior college is able to offer a quality and type of education which the larger institution can never provide for youth who are standing at the doorway of their higher educational experience.

This Christian Junior College exists for the student, propagates with unyielding tenacity its avowed purposes, and operates within a framework of responsibility to achieve academic excellence, while shouldering the responsibility of maintaining Christian commitment through its entire program.

By action of the Board of Trustees of Chowan College, the college is operated on a non-discriminatory basis as regards race, creed or color. This includes employment, admissions, housing, scholarships and grants-in-aid, and public functions.

Purposes of the College

1. To provide quality higher education—influenced by Christian pre-suppositions relative to the educational task—and to help the individual student to gain a philosophy of life which will lead to the development of responsible citizens and Christian leaders—both lay and professional.

2. To give thorough training in the standard disciplines to those students who wish to pursue the baccalaureate in other higher educational institutions, and to afford those whose formal education will not extend beyond an associate degree an excellent vocational instruction on the backdrop of a liberal arts education.

3. To meet the personal needs of the individual student and to make his stay at Chowan as meaningful as possible by providing him with effective academic and social counseling.

Heritage

Chowan College first opened its doors on October 11, 1848, as a result of the interest and influence of the Baptists of Northeastern North Carolina and Southeastern Virginia. For 62 years the institution was known as the Chowan Baptist Female Institute; in 1910, its name was changed to Chowan College.

The college was first located on the old Hertford Academy lot and it used the Banks Building and equipment. Three years later the college moved to the McDowell Columns, a building which serves today as the campus administration headquarters.

Chowan College remained open during the Civil War, although a number of southern colleges closed. By the latter part of the 19th Century, Chowan was recognized throughout the South for its high standards in scholarship and culture.

The 20th Century brought continued progress to the college by the way of additional buildings and equipment and the maintaining of consistently high standards. However, due to a shortage of students occasioned by World War II, the college closed its doors in 1943. Since its reopening in 1949, Chowan has had a phenomenal growth both in enrollment and physical facilities. It also received full accreditation from the Southern Association of Colleges and Schools in 1956. Chowan is today recognized as one of the outstanding two-year colleges in the nation.

Following is a chronicle of some of the important events in the life of Chowan College:

May 19, 1848—Chowan Baptist Association approves establishing Chowan Female Institute; names Board of Trustees.

October 11, 1848—First session begins with Archibald McDowell, Principal; 11 girls arrive and register for classes.

November 21, 1849—Trustees approve financing of Institute through Joint Stock Company.

- July 4, 1851—Laying of cornerstone for Columns Building.
- August 10, 1853—Annie J. Ward receives first "four-year diploma".
- July 6, 1859—Joint Stock Company relinquishes control of Institute to Board of Trustees.
- June 22, 1880—First major attempt to raise permanent endowment.
- May 10, 1910—Organization of Alumnae Association.
- May 17, 1910—Name changed to Chowan College.

Campus

The college's campus consists of 235 acres with the main campus and athletic fields being a part of a tract of 60 contiguous acres of land.

The main campus is monumented with ancient pines and majestic oaks. A circular drive (seven-tenths of a mile in length) provides easy access to the campus facilities and encircles a beautifully landscaped oval lawn, which is divided by historic Pine Walk, the main approach to the graceful McDowell Columns.

Numerous new buildings, of both contemporary and modern design provide comfortable space for living and study. Nine of these buildings—three dormitories, four classroom buildings, cafeteria, and library—are fully air conditioned.

Buildings

McDowell Columns (Administration) Building, erected in 1851 is a beautiful brick and concrete structure, with massive columns and broad veranda, so characteristic of the old South.

The South Building, a later addition which joins the rear of "The Columns," contains administrative offices, and an indoor swimming pool, as well as the college auditorium, which has a seating capacity of 800.

Whitaker Library, a three-story contemporary structure of modern design, was constructed in 1968 to shelve 100,000 volumes and contains space for more than 400 students and faculty in several reading areas. Also housed in this structure are items of historical interest to Chowan College and the region of Northeastern North Carolina and Tidewater Virginia.

Daniel Fine Arts Building, an ultra-modern structure erected in 1968, contains space and equipment for music, drama, and art, including practice rooms and choral rooms for various musical organizations active on campus and functioning as part of the Department of Fine Arts.

Green Hall, erected in 1956, served as the science building until 1973, when science instruction was relocated in a new structure. Green Hall is currently being renovated for other purposes.

Askew Student Union, located on the banks of a beautiful, tree-studded ravine, is the headquarters for the work of the Baptist Student Union and contains a large activities room as well as the office of the college chaplain and a lounge area.

Robert Marks Hall was erected in 1963-64 and dedicated in May of 1964. Marks Hall is a three-story building of contemporary and modern design housing 23 classrooms, 22 faculty offices and equipment for closed circuit television. An outstanding feature of this facility is a large 175 opera-type seat lecture hall. The building was provided primarily by gifts from the family of the late Robert Marks of Boykins, Virginia.

Science-Engineering Building was constructed in 1972-73. This new, air-conditioned, three story structure contains eleven laboratories equipped for learning in biology, chemistry, botany, physics, micro-biology, and anatomy-physiology; an environmental study area; eleven classrooms; departmental and faculty offices. This new structure also houses the Department of Mathematics.

Penny Infirmary, erected in 1964, was provided primarily by Mrs. W. S. Penny of Raleigh. The facility serves both men and women with two floors of space, including treatment rooms, wards and complete air-conditioning.

The Gymnasium is for indoor physical education activities and athletic events. The building also has classrooms for physical education purposes, dressing rooms for physical education classes, visiting teams and home team, and offices for members of the department of physical education.

McSweeney Hall houses the Department of Graphic Arts. This unique department of the college was made possible by newspaper publishers of North Carolina and Tidewater Virginia. The first building (40'x70' was erected in 1953; a 40'x60' addition was completed in 1956. In 1962 members of the North Carolina Press Association contributed funds for the erection of a modern and attractive addition that doubled the floor space. The building is named in honor of John McSweeney, first chairman of the department, and now Professor-Emeritus of Graphic Arts.

Thomas Cafeteria, erected in 1959, is fully air-conditioned. It provides the main dining area and private dining rooms for special meetings of students, faculty, or other groups. During the summer of 1964 an addition was made to the cafeteria which doubled the dining area and now provides a student store and related facilities. This structure is named in memory of Dr. R. P. Thomas, long-time member of Chowan's Board of Trustees.

The President's Home is a two-story brick nouse at the entrance to the campus.

Belk Hall for Women, erected in 1964, is a three-story brick building. It houses 200 students and is fully air-conditioned. The structure is completely modern in design and provides lounges on each floor as well as convenient built-in furniture. The hall is named in honor of Mrs. Erwin Belk, Charlotte, North Carolina.

Jenkins Hall for Women, erected in 1958, is an ultramodern and functional unit which provides most attractive and desirable accommodations for young women at Chowan. This residence was named in memory of Charles H. Jenkins and in honor of his mother, Mrs. Olivia Benthall Jenkins.

College Street Residence for Men, acquired in 1964, was renovated completely and now provides residence for 36 students. It includes modern facilities, lounges, kitchenette and an apartment.

The F. O. Mixon Hall for Men, a two-story residence hall of modern design erected in 1954, accommodates 100 students. It has lounge space and an apartment for a dormitory resident.

East Hall for Men, was erected in 1960. The three-story brick building provides the most modern living accommodations for 118 students.

West Hall for Men was erected in 1963. The three-story brick building houses 216 students. It is completely modern, with lounges on each floor, lavatories in each room, convenient built-in furniture and is fully air-conditioned.

Parker Hall is a nine-story men's residence hall, erected in 1970. This beautiful building, located on Union Street, is fully air-conditioned and modern in every respect. It houses 280 men, and is named in honor of Elwood W. Parker, of Murfreesboro.

Development

With faith in the support of its college family, alumni and friends, Chowan College initiated its Development Program in 1957. With the support of the college's Board of Trustees, Board of Advisors and other outstanding leaders and friends of the college, a virtually "new" Chowan has been built on this 127 year old campus.

This exciting development program, which has been labeled a "modern miracle," is being accomplished within the framework of comprehensive long-range planning and sound fiscal management. Annual planning conferences, utilizing leaders from North Carolina and Virginia help to give wise direction in the area of building and physical expansion and many other areas of college life.

McSWEENEY HALL . . . Department of Graphic Arts

It is significant that the college has operated in the black in each year of development and has kept cost to its students (tuition and fees) at the minimum level. We make every effort to gain the maximum educational mileage out of every dollar entrusted to us. In addition to brick-and-mortar facilities, Chowan has projected the financial resources needed to keep plant and program operating at top efficiency, to meet the intellectual and physical requirements of its student body, to supply the books and equipment needed to accommodate them, and to support the quality faculty needed to lead them.

Chowan is prohibited, by policy, from accepting governmental grants for construction purposes, therefore, the development program is dependent upon the voluntary support of individuals, foundations, private business firms and industries.

MODERN WHITAKER LIBRARY

CAMPUS LIFE

COLLEGE ORGANIZATIONS

New students are welcomed into all organizations except those whose members are invited in recognition of their eminence in scholarship, athletics, writing, music, dramatics or special phases of leadership. Announcements concerning organizational activities are posted on bulletin boards, published in the college newspaper, and noted in assembly bulletins.

COLLEGE COMMITTEES

Students are currently serving on the following college committees: Chapel-Assembly, Class Absences, Scholarship, Library, Athletic, Graduation, Housing, Cafeteria, Clothing and Etiquette, Publications, Intramurals, Hospitality, Health, Events, Student Activities, and Faculty-Student Relations. The student members have voting rights and thus share in planning social, operational and academic phases of the College.

STUDENT GOVERNMENT

All students are automatically members of the Student Government Association of Chowan College. The organization offers them opportunities for gaining experience in democratic procedures and for participating in the operation of the college. Through the legislature they voice their points of view and recommendations to the administration. Also, within the limitations of power granted to the association by the President of the College, the organization administers and enforces regulations governing student conduct.

RELIGIOUS ACTIVITIES

A full-time chaplain, whose office is in the Askew Student Union, is a member of the college staff. He seeks to interpret the place of religion in society and in the Chowan College community. He ministers to students by helping them translate their worship into Christian living. All religious activities, including

the weekly chapel-assembly programs, are coordinated by the chaplain.

A varied program of religious activities is offered to challenge the interest of students and to meet their needs. Each semester the Baptist Student Union sponsors a lecture series by Christian laymen and scholars who relate Christianity to some phase of contemporary life. During Evangelism Week and Christian Emphasis Week, students have the opportunity to hold individual and small group conferences with guest speakers.

Opportunities for effective service, spiritual growth, and social fellowship are provided for students through the activities of the B.S.U. and the Ministerial Alliance.

Students are invited by the churches of Murfreesboro and the surrounding area to participate in their worship services. Located within Murfreesboro itself are Baptist, Methodist and Episcopal churches. Other churches located in the immediate vicinity of Murfreesboro are Roman Catholic, Presbyterian, Friends, Latter Day Saints, Free Will Baptist and Church of God.

CAMPUS CLUBS

11

Monogram Club. To be eligible for membership in the Monogram Club, the student must be a member of a varsity athletic team and participate in intercollegiate competition.

Student Chapter of National Education Association. This organization is open to students who plan to teach. It aims to keep the prospective teacher informed of educational developments and to develop a strong professional attitude toward the teaching profession.

Student Nurse Association of Chowan College. This organization is open to students of Nursing. Its purpose is to help students understand developments in Nursing as a profession and to help them understand the responsibilities of Registered Nurses in society.

Circle K International. The club offers both service and social opportunities to the student. It is affiliated with Kiwanis International and is open to both male and female students with 2.0 grade point averages.

Spanish Club. Composed of students who have satisfactorily completed two years of high school Spanish or two semesters of college Spanish, the club meets once a month. The purpose of the club is to encourage the use of the oral language and to learn more about the culture and customs of the Spanish-speaking countries.

Women's Recreation Association (WRA). See athletics.

Chowan Motor Sports Club. This club meets twice monthly with prepared programs on driving techniques, rallying, auto-crossing, hazards and legal restrictions. Sports car events are organized and sponsored by this organization.

Chowan College Surfing Association. Open meetings are held with prepared lectures on such subjects as the history of surfing, beginning techniques, safety in surfing, dangerous marine animals, local surfing areas, legal restrictions and hazards. The club sponsors surfing movies for the enjoyment of all citizens of the college community.

Chowan Science Service Organization. This is a campus organization which is affiliated with the North Carolina Collegiate Academy of Science. Its purpose is to stimulate interest in the sciences by introducing the lesser known fields through informative programs and projects.

Chowan Aviation and Parachute Association. Members of this organization use the facilities of the Halifax County Airport in Roanoke Rapids. The purpose of the organization is to promote interest and advancement among Chowan students in aviation and parachuting.

Chowan College Scuba Diving Club. This club brings together students with a common interest in scuba diving. Demonstrations are held in the college pool. Occasional field trips are taken to different areas of Tidewater Virginia.

ATHLETICS

INTERCOLLEGIATE ATHLETICS

The intercollegiate sports program for men consists of basketball, baseball, cross country, golf, football, tennis, wrestling, and track. For women the intercollegiate program includes volleyball, basketball, and tennis. Every intercollegiate activity is under the personal supervision of qualified coaches.

The Director of Athletics has general supervision of intercollegiate athletic activities. Chowan College is a member of the National Junior College Athletics Association, the Cavalier-TarHeel Junior College Athletic Conference and the Coastal Football Conference and is governed in matters of eligibility by the constitution and bylaws of these organizations.

INTRAMURAL SPORTS

Recognizing the importance of physical education in maintaining good health, Chowan makes available to every student an extensive program of intramural athletics. This program, conducted under the supervision of the Athletic Department and Student Personnel, includes flag football, volleyball, basketball, softball, tennis, horseshoes, ping pong, golf, basketball foul shooting, track, badminton and wrestling.

WOMEN'S RECREATION ASSOCIATION

A varied program of athletic and recreational activities for women is provided by the Women's Recreation Association under the supervision of the Department of Athletics. Intramural competition is held in volleyball, basketball, softball, tennis, badminton, and horseshoes. Recreational clubs such as Choreography, Knitting, and Varsity Pep Squads for Cheerleaders, Majorettes, and Drill Team (Bravettes) are also sponsored by WRA. The Spring Festival Pageant and Spring Festival are planned, organized and sponsored annually by this organization.

FELLOWSHIP OF CHRISTIAN ATHLETES

A chapter of Fellowship of Christian Athletes is sponsored by faculty members and coaches in the Department of Athletics. Members of this group meet weekly for breakfast in the President's Room of Thomas Cafeteria.

DRAMA

For students interested in theatrical activities, Chowan Players offers opportunities for helping to produce plays for the student body, Roanoke-Chowan communities, and for high schools. Plays ranging from classic to modern are selected. For instance, **South Pacific**, **Our Town**, **Pygmalion**, **Diary of Ann Frank**, **Showboat**, **Summer and Smoke**, **A Thurber Carnival**, and **J.B.** have been produced in the past few years.

High School Tours. A variety of one-act plays are produced each year for high school audiences. Workshop sessions are offered to interested students in each school.

One-Act Plays. Four one act plays will be presented in the small thrust theatre. Plays for the 1972-73 session were selected from contemporary playwrights.

MUSIC

Membership in the **College Choir** is open to all students who are interested in choral music. On-campus appearances of the Choir include annual Christmas and Spring concerts.

The **Chowan Drum and Bugle Corps** is open to all students with the permission of the director.

Membership in the **Chowan Touring Choir** is selected by audition from the College Choir. The Touring Choir takes an extended off-campus tour in the Spring of the year as well as making several off-campus and television appearances throughout the year.

Membership in the **College-Community Chorus** is open to all students and persons from the surrounding communities. This organization presents two concerts, one in the fall and one in the spring, each accompanied by orchestra.

Membership in the **College Band** is open to all students who are interested in playing band music.

The **Chowan College Orchestra** is open to all students, faculty and community persons with the permission of the director.

Other **Ensembles** are organized from time to time as the demand exists.

The **Chowan College Concert Association** brings outstanding vocal and instrumental musicians to the campus four times each year.

HONOR SOCIETIES

Phi Theta Kappa is a national, honorary, scholarship fraternity for the junior colleges of America and is open to students with a three point average, who are recommended by a faculty committee and approved by the student members of the organization.

Phi Beta Lambda, an organization affiliated with both state and national organizations, is open to all students who are enrolled in the Department of Business and maintain a "C" average.

Alpha Pi Epsilon is a national honorary society for secretarial students who make a two-point-plus average in their studies.

Delta Psi Omega is an honorary dramatic fraternity for those students who do a high standard of work in dramatics. It also provides a wider fellowship in the college theatre throughout the United States and Canada.

CULTURAL ACTIVITIES

Through the combined facilities of the college and the community, students have the opportunity to attend numerous programs—lectures, plays, concerts, recitals, motion pictures, and art exhibits—designed to enrich their educational experiences.

The Chowan Student Government Association through the help of the Student Activities Committee sponsors an entertainment series which brings popular groups to the campus.

PROGRAM OF VISITING SCHOLARS

The visiting scholars program is sponsored by the various academic departments. This program brings outstanding scholars to the campus. They lecture at student convocations, lead seminars, visit classes, and meet informally with students and faculty. The Visiting Scholars Program serves as a supplement to existing curricular offerings since the distinguished scholars come from different parts of the country and from a wide range of academic disciplines.

MATHEMATICS AND SCIENCE SEMINARS

Professors in the Mathematics and Science Departments present monthly seminars on related topics of a general nature. These seminar topics are purposely nontechnical.

SOCIAL LIFE

Many occasions for individual and group expression are offered by College-sponsored student organizations. Included are motion pictures, a comprehensive intramural program, weekend tours, and a variety of residence hall and club events. The Student Government Association is actively engaged in sponsoring a broad range of social and entertainment events.

COLLEGE PUBLICATIONS

All Chowan College publications, brochures and booklets,

are produced by students under the instruction and supervision of faculty members in the Department of Graphic Arts.

The Chowanian: This is a pictorial periodical disseminating information about Chowan College to alumni, high schools in North Carolina and Virginia, and friends of the college.

The Chowanoka: This is the yearbook, edited by a staff of students with the guidance of a committee of faculty advisors. Student staff members are responsible for the layout and design of this publication.

Smoke Signals: This is a bi-monthly newspaper edited by students under the supervision of a faculty advisor. It carries news and pictures of student activities.

The Student Handbook: This publication contains information about social rules and regulations for Chowan College students. It is distributed and studied during orientation programs.

All student publications must be approved by the administration before they can be printed and circulated.

Students, faculty, and staff members are available as speakers through the Office of College Relations. Citizens of the Chowan College Community serve as guest speakers at conventions, banquets, civic clubs, commencements, PTA meetings, social affairs, and church activities. The Speakers Bureau serves as a link between the college and the communities of Chowan College students and friends.

STUDENT SERVICES

COUNSELING

Chowan College maintains an active counseling relationship with each of its students through an advisory system. Each student is assigned to a faculty advisor, who is available for academic and personal counseling. Advisor-advisee meetings are held twice each semester, and students are expected to confer individually with their advisors at least once each semester.

Counseling in non-academic matters is provided by the Dean of Students, Associate Dean of Students for Women, Associate Dean of Students for Men, the Chaplain, and the Counselor who is housed in the College Counseling Center.

Professional counseling services are oriented to early identification of the assistance with academic, vocational, and personal problems. Testing facilities of a vocational and diagnostic nature are available.

Because Chowan College is a two-year institution with ninety per-cent of the enrollment participating in transfer programs, professional counseling is available to students transferring to senior colleges and universities. A college day program with representatives from senior institutions in North Carolina, Virginia, and neighboring states is held annually on the Chowan College campus for the benefit of transferring students.

TRANSFER TO SENIOR INSTITUTIONS

Chowan College graduates—over 85 per cent—transfer to a wide variety of senior institutions. Representative of the senior colleges and universities to which Chowan's graduates are attracted are Appalachian State University, Arkansas State University, Atlantic Christian College, Averett College, Baylor University, Belmont-Abbey College, Campbell College, Carnegie Institute of Technology, Carson-Newman College, Catawba College, Clemson University, College of William and Mary, Columbia College, Davidson College, Duke University, East Carolina University, East Tennessee State University, Elon College, Emory and Henry College, Florida Southern College, Florida State University, Furman University, Gardner-Webb College, George Washington University, Georgia Institute of Technology, Greensboro College, Guilford College, Hampden-Sydney College, High Point College, Hollins College, Jacksonville State University, Longwood College, Lynchburg College, Mars Hill College, Marshall University, Mary Washington College, Memphis State University, Meredith College, Methodist College, North Carolina State University, North Carolina Wesleyan College, North Texas State College, Old Dominion University, Patterson State College, Pembroke State University, Pfeiffer College, Queens College, Radford College, Randolph-Macon College, Rochester Institute of Technology, Salem College, Saint Andrews Presbyterian College, Salisbury State College, Sam Houston State University, South Dakota State University, Southern College of Optometry, Stratford College, Temple University, Texas Technical University, University of Connecticut, University of Delaware, University of Florida, University of Georgia, University of Hawaii, University of Kentucky, University of Maryland, University of Miami, Universities of North Carolina at Asheville, at Chapel Hill, at Charlotte, at Greensboro, and at Wilmington, University of Pennsylvania, University of Richmond, University of South Carolina, University of Southern Mississippi, University of Tennessee, University of Virginia, University of West Virginia, Virginia Commonwealth University, Virginia Polytechnic Institute, Virginia Wesleyan College, Wake Forest University, Westchester State College, Western Carolina University, West Virginia State University. This is, of course, only a partial listing. The individual's curriculum, preference and grade-point average will determine, in most cases, the senior institution to which a Chowan graduate will transfer. Last year's graduates transferred to 56 different colleges and universities.

HEALTH SERVICES

Each incoming student is required to forward to the Director of Admissions a physical examination and health report. This report is made available to the college nurse, who maintains a health record on every student.

Nurses are on twenty-four hour duty in Penny Infirmary. A Registered Nurse is on duty from 7:30 a.m. to 4:00 p.m. daily, Monday through Friday. A Licensed Practical Nurse is on duty at night, Monday through Friday, and on call during weekends.

Beds in Penny Infirmary are used primarily for acutely ill students who respond rapidly to rest and conservative treatment. If the student's condition worsens or response to treatment is slow, arrangements are made for treatment and laboratory studies according to instructions from parents.

Hospital accommodations are available in Ahoskie, North Carolina, a twenty-minute drive from the college. The services of local physicians are used by Chowan students. Such services and any prescriptions are the financial responsibility of the student.

Dormitory students who find it necessary to miss classes because of illness should consult the nurse before the time the class meets in order to obtain an official excuse. Day students who miss classes must bring a note from home or a physician in case of a prolonged illness.

HOSPITAL AND ACCIDENT INSURANCE

Chowan College carries Hospital and Accident Insurance on all students. After the insurance is in force, it applies at all times, on and off the campus. The individual student is responsible for seeing that his claim is filed.

STUDENT CENTER

For the convenience of all Chowan College students, there is provided in the Student Center, located on the ground floor of Thomas Cafeteria, a book store, the post office, and a recreation room containing a snack bar operated by the cafeteria management.

STUDENT MAIL AND MESSAGES

Every student, whether boarding or day, is assigned a post office box and receives mail and intra-college messages through the College Post Office.

LAUNDRY

Arrangements have been made with a local linen supplier to furnish a dormitory student two sheets, one pillow case, and three bath towels each week. These linens are distributed weekly to individual lockers in the dormitories. Further information and a reservation card will be mailed to students prior to the opening of the fall term. There is a fee for this service and students participate on a voluntary basis.

THOMAS CAFETERIA

Thomas Cafeteria seats 750 persons. All resident students and students staying in approved homes are required to take their meals in Thomas Cafeteria.

Students and faculty serve on the **Cafeteria Committee**, which meets monthly with the Food Service Director to discuss all matters dealing with food service.

Whitaker Library, dedicated in 1968, is a handsome, efficient, modern building designed to be the center of the educational process. It provides seating space for more than 400 students, including space at 176 individual study tables. Here also is the Antiquities Room, which serves as a depository for old and rare books.

The book collection numbers approximately 45,000 volumes and is growing at the rate of 3,000 volumes yearly. Periodicals, microfilm, and books are selected by the teaching faculty and are readily accessible on open shelves.

Whitaker Library is open 76 hours per week and is well staffed to provide complete services to students.

CAMPUS VISITS AND ORIENTATION

An admissions interview by applicants is not normally required by the Committee on Admissions, but it strongly recommends that candidates visit the College if possible. With sufficient notice, the Admissions Office will make arrangements for overnight accommodations and meals on campus for visiting applicants.

Prior to enrollment all new students will receive a letter informing them when to arrive on the campus for an orientation program. Orientation affords new students the opportunity to become acquainted with rules and regulations, the aims and objectives of the college, its traditions and customs, the curriculum, extracurricular activities, student leaders, and faculty and staff members.

Action on the Chowon Gridiron

DISCIPLINE

Ultimately, college discipline is in the hands of the Student Government Association, the Faculty Judiciary, Student Personnel Deans and the President, who administer policies adopted by the Board of Trustees. The purpose of discipline is to maintain order in the institution and to develop good character in its students. At Chowan discipline is guidance oriented. Fortunately, other means are seldom needed to secure good conduct, but when necessary, they are used in the form of probation, suspension, or expulsion.

The College reserves the right at all times to exclude students whose conduct or academic standing it regards as undesirable without specifying any further reason for exclusion. In some cases, fees will not be refunded, in whole or in part, and neither the college nor any of its personnel or officials shall be under any liability whatsoever for such exclusion.

Furthermore, the college reserves the right to change its policies upon proper notice.

CAMPUS GUIDELINES

Among the guidelines of the college are:

1. The College will not tolerate student disorders. Any student found guilty of violating the Chowan College Policy on Student Disorders, a policy explained during orientation programs, will be subject to suspension or expulsion, depending upon the nature of the violation.

2. The College is opposed to the use of alcohol beverages by students. Drinking or the possession of intoxicating beverages on the campus is not permitted.

3. Gambling, lying, cheating, stealing, and using profanity are forms of unacceptable behavior, and may be cause for suspension.

4. Any student who without medical prescription, possesses, transports, or engages in the illegal sale or use of amphetamines, barbiturates, hallucinogenic narcotics, and marijuana will be subject to dismissal from the college.

5. The possession of firearms and pyrotechnics, whether in the dormitory or at any other place on the campus, is prohibited both by College policy and state law.

IDENTIFICATION CARDS

Until permanent ID cards are issued, the Bursar's receipt serves as a temporary means of identification. Once ID cards have been received, students are responsible for having them in their possession at all times, on and off campus.

Since students are required to present ID cards when eating in Thomas Cafeteria and cashing checks in Murfreesboro, caution should be taken in caring for the card.

Any Chowan student must produce his identification card when called upon to do so by any authorized official of the college, or any authorized civil official.

Lost ID cards can be replaced for \$3.00.

Lending an ID card or using another student's ID card is forbidden and is considered an act of falsification.

LIVING ACCOMMODATIONS

All students who do not live in Murfreesboro or near Murfreesboro with their parents must live on campus unless given permission in writing to seek rooming accommodations in conveniently located private homes which have been approved by the Director of Housing.

Room assignments are made in the office of the Director of Housing on a non-discriminatory basis as regards to race, color, or creed. No one is permitted to change rooms without written permission from the Director of Housing. A fee of \$5.00 is charged for an authorized room change. Students making unauthorized changes are subject to penalties. No furnishings may be taken from a room in any residence hall without permission of the Head Resident.

No student is allowed to keep pet in residence hall.

Students are required to keep their rooms clean and in order. The occupants are held responsible for any damage to their rooms, both furnishings and to the buildings. The cost of damage to the building outside the occupants' room may be charged on a pro rata basis to the residents of the building.

The misuse of a radio, television, record player, or tape recorder may necessitate confiscation.

Residence Halls are to provide the wholesome influence of a well-ordered Christian home and should afford conditions favorable to study and group living.

AUTO REGULATIONS

The college encourages students not to bring cars to the campus. In the event however, that a student feels that he has need of an automobile, he will be permitted to bring one, providing that it is properly insured and providing that it is properly registered through the Office of the Dean of Students and the Business Manager of the College. The request to register a car will be initiated through the Office of the Dean of Students. Registration decals will be given to the student when he pays his automobile registration fee in the Office of the Business Manager and must be displayed as designated by existing policy. At such time the student will be assigned a specific parking lot, and a student will be permitted to park only in the lot assigned to him. Improper parking will result in parking violation tickets and may result in the forfeiture of one's rights to have a car on campus. Towing is also enforced.

Automobile registration fees are as follows: (1) \$15 for nine months (two semesters in the same academic year), or (2) \$10 per semester. For summer school the registration fee will be \$5 per each term of the summer session. These fees are non-refundable under any circumstances.

Students on preliminary suspension, social campus, or disciplinary

any probation may have a car only with the permission of the Dean of Students.

The Dean of Students may revoke the automobile privileges of any student when there is due cause.

While the college will, through its normal security measures, attempt to patrol parking areas, the college assumes no liability for personal property of others; moreover, the college has no insurance to cover losses the owner may experience.

A student is expected to observe the car regulations given him at the time he registers his car. If a student is given a campus traffic ticket, he is expected to pay the amount of the fine in the Business Office of the College. Unpaid fines will become a part of the individual's College account.

Automobile regulations apply to all motor vehicles, i.e., motorcycles, motorbikes, motorscooters.

FINANCIAL INFORMATION

The average cost to CHOWAN COLLEGE over and above what the student is required to pay is approximately \$300 per student. This amount is contributed by the Baptist State Convention of North Carolina, the North Carolina Foundation of Church Related Colleges, churches, individuals, corporations, foundations, and from endowment funds of the college.

As a private, church-related college, Chowan is compelled to seek financial support from its college family, alumni, parents, friends, businesses and corporations and foundations to provide special funds needed for projects over and above those which tuition and endowment sources can support. These gifts have permitted Chowan College to keep its tuition and fees at a minimum level while elevating its educational program toward a position of esteem among independent liberal arts institutions. Every effort is made at Chowan College to keep student fees and tuition at the lowest possible level, realizing that actual instructional and service costs exceed the stated charges. We encourage parents and others who are able and willing to make gifts through the Chowan Parents Association to assist in keeping costs and fees to the student at a level and strengthen the educational program of the college. Such gifts should be made payable to the Chowan College Parents Association and mailed to Chowan College, Murfreesboro, North Carolina 27855, and are fully tax deductible.

Classification of Students

Chowan College has two classifications of students: **Boarding** and **Commuting**. A **Commuting Student** is considered to be one (1) who is obviously a resident of Murfreesboro, (2) whose permanent residence is in such proximity to Murfreesboro that he drives to and from the college each day, or (3) who is married and

has established a residence for his family in the Murfreesboro area. **Boarding Students** include all students who live in college dormitories and cottages, and also those who are unable to secure a room on the campus and must room in a home in the local community approved by the college.

By order of the Board of Trustees, all students rooming in college dormitories and cottages, as well as those rooming in the community, are required to take their meals in the college dining room. Such students are classified as **Boarding Students**. Off-campus **Boarding Students** may reside only in homes approved by the college administration. Board and room fees do not include holiday periods.

Students assigned to rooms on the campus are not permitted to move off the campus during any given semester, except by special permission from the administration.

Further, when the college has rooms available, **Boarding Students** are required to live on campus. While the college cooperates with students in honoring their dorm and roommate choices, the college does reserve the right to make room assignments for students. Moving without prior permission from an assigned room is prohibited (see item 7 under Financial Regulations).

FINANCIAL INFORMATION FOR YEAR 1974-75

All students applying for admission should send \$10.00 with the completed application to the Director of Admissions. This is an application processing fee and is non-refundable nor is it included in the charges listed below:

SCHEDULE OF PAYMENT

Your account is due and payable at the Business Office **on or before the date of registration for classes**. It is recommended that your payment be made several days in advance so that your receipt and other credentials may be returned to you before you register for classes. If you anticipate difficulty in making FULL semester payments, please contact the Business Manager or investigate one of the loan plans outlined on the following pages.

ADVANCE PAYMENT

In addition to the \$10 application fee, (1) All students must make an advance payment of \$50.00 by April 1. If accepted after April 1, payment must be made immediately upon acceptance. The payment will be applied to the student's account at the college. It is refundable IN FULL only in the case of serious illness or death in the student's immediate family. (2) All returning students must make a \$50.00 advance payment by April 1. It is subject to refund due to academic deficiencies or as above. (3) In the event that a student is eligible for a refund of his advance payment he must make WRITTEN APPLICATION BY THE DATE FOR CLASS REGISTRATION FOR THE SEMESTER TO WHICH THE PAYMENT APPLIES

GENERAL INFORMATION

General fees include all laboratory fees (except Graphic Arts, Photography, Art, Dance and Music) in the Departments of Science or Business, Physical Education and other charges related to the curricula of the college.

The Student Activities Fee is charged each student to provide a variety of extra-curricular activities throughout the year. The Student Activities Committee, made up of students, faculty and staff, is charged with the responsibility of promoting and administering these various events. The fee is distributed to and includes student publications, religious activities, drama, athletics and intramurals, music and special student events.

(1) The expenses listed do not include books, which will cost approximately \$100.00 per year, laundry, doctor's fees or medical emergencies, except those covered by the Student Health Insurance.

(2) The college reserves the right to change the price of room and board upon proper notice to its students.

(3) To qualify as a North Carolina Resident and thereby be exempt from the OUT OF STATE FEE, it is necessary that the applicant and-or his parents shall have been domiciled in the State of North Carolina for at least one year immediately preceding the beginning of that semester, and the applicant or his parents must have been bona fide taxpayers to the State of North Carolina for the **full calendar year** immediately preceding registration. Residence in the State for the purpose of securing an education does not qualify an individual for classification as a North Carolina student.

(4) All money is handled through the College Business Office only by administrative staff bonded to receive and disburse all funds.

The Student Health Fee includes health insurance and services rendered by the College Infirmary.

SPECIAL FEES (Per Semester)

GRAPHIC ARTS

Laboratory Fees	\$50.00
Photography Fee	\$25.00

MUSIC

Music Majors' Fees	\$75.00
------------------------------	---------

(Includes lessons in major and minor instruments and use of practice room at no additional charge.)

Private Instruction for college students	\$40.00
--	---------

(Includes lessons in voice or instruments and use of practice room at no additional charge.)

Special Music Students (non-college students)

\$20.00 per month for 2 lessons per week

\$15.00 per month for 1 lesson per week

Students who are enrolled in studio courses will pay the following special fees: 1 course, \$20.00 per semester; 2 courses, \$40.00 per semester; more than 2 courses, \$50.00 per semester.

SPECIAL STUDENTS

Special students are normally those who live within commuting distance of the college and take less than 12 semester hours. No special student may register as a boarding student except with special permission of the Dean of the College and the Dean of Students. In the event that such a student is permitted to live in a dormitory, he will pay full fees as described in the catalog for boarding students. No special student may represent the college in any manner, except with special permission of the Dean of the College. Regular fee is \$30.00 per semester hour.

AUDITING—\$15.00 PER SEMESTER HOUR

With the permission of the Dean of the College a person may attend the course lectures in a selected subject and participate with the class, but will not receive any credit for the course.

LATE REGISTRATION FEE

There will be a \$5 registration fee for all students who register after the registration date listed on the calendar in this catalog.

GRADUATION FEE

All candidates for graduation will pay \$10.00 to cover the expense of a cap and gown, diploma, diploma cover, and other expenses related to the commencement exercises. All candidates for graduation must pay this fee by the first day of April. Moreover, any student who is a candidate for graduation and does not appear for commencement exercises will be charged an additional \$10.00. This absentia fee must be paid to the business office before grades will be released, diploma issued, or transcript forwarded.

FINANCIAL ASSISTANCE

To receive the full amount of a scholarship or special grant, the recipient must be a boarding student. Commuting students are eligible to receive only half the amount of a scholarship or special grant. Moreover, a student may be eligible for only one scholarship unless otherwise indicated. This policy is applicable to the academic year only; scholarships and grants-in-aid are not available for summer sessions, nor do they apply to a student enrolled for less than twelve semester hours.

SCHOLARSHIPS

Chowan College offers a **Competitive Honor Scholarship Program** administered by the Scholarship Committee. These scholarships are not necessarily based on financial need. How-

ever, need will be considered as one factor. Primary emphasis is upon the demonstration of academic ability, motivation, and seriousness of purpose. **Information concerning all scholarships may be obtained from the office of the Director of Student Financial Aid.**

1. Five Scholarships, valued at \$1,000.00 each; awarded and made available to the recipients on the basis of \$250.00 per semester. At the end of the freshman year the holder must have a quality point ratio of 3.0 for the scholarship to remain in effect.
2. Eight Scholarships, valued at \$500.00 each; awarded and made available to the recipients on the basis of \$125.00 each semester. At the end of the freshman year the holder must have a quality point ratio of 3.0 for the scholarship to remain in effect.
3. Ten Scholarships, of \$300.00 each; awarded on the basis of \$75.00 a semester. The holder must have a 3.0 scholastic average at the end of the freshman year for the scholarship to remain in effect.

NOTE: A student holding an honor scholarship who wins the \$500.00 offered by Chowan College for the highest scholastic average as a freshman shall continue to receive the full amount of his honor scholarship, except that combined scholarships shall not exceed student fees.

All contestants for honor scholarships are required to complete competitive examinations, which will be reviewed by the Scholarship Committee.

Other scholarships offered by Chowan College and interested friends of the College are listed below:

Educational Opportunity Grants (Range from \$200.00 to \$1,500.00 per year.) The primary consideration for this award is FINANCIAL NEED. The College must match these grants in the form of loan, scholarships, work opportunities or other grants-in-aids.

Ministerial students related to the Southern Baptist Convention and who are certified by their local churches, receive \$325.00 per semester for four (4) semesters, if they maintain requirements for continued residence and carry a normal college load. Recipients are required to sign notes which must be co-signed by their parents, guardians, or another responsible person. If, at the end of five years, recipients have met the conditions set forth in the notes, the principal condition being that recipients enter the field of service for which they are being trained, the notes are cancelled. Otherwise, the notes must be paid. (Commuting students receive \$162.50 per semester for four (4) semesters.)

Children and wives of ordained ministers related to the Southern Baptist Convention receive \$162.50 per semester for a maximum of four semesters, if they maintain requirements for continued residence and carry a normal college academic load. Formal request by letter should be directed to the scholarship committee of the college.

Students from the Baptist Children's Homes of North Carolina receive grant-in-aid of \$162.50 per semester for four semesters if requirements for continued residence are maintained and they carry a normal college academic load.

An unmarried son or daughter, the wife or husband of a member of the Chowan College faculty or administrative staff pays \$25.00 per semester tuition and fees. Medical insurance coverage and extra fees such as music, art, and Graphic Arts are not included. The same policy will apply to secretarial staff and employees classified as supervisory personnel who have completed three years of continuous service with the College. All employees who meet admissions requirements may audit or take

for credit any course offering that does not conflict with their work schedules.

STUDENT EMPLOYMENT

Employment opportunities are available at the College. These work grants are made available on the basis of financial need and on the basis of the student's willingness and ability to perform the work assigned. The College participates in the Work Study Program of the Economic Opportunity Act, and PACE, Inc. (Plan Assuring College Education in North Carolina.)

GENERAL FINANCIAL REGULATIONS

1. No credit for academic work is given for a diploma or for transfer purposes until all financial obligations to the College have been paid or adequately secured.
2. The \$10.00 application fee, which must accompany the student's application for admission, is not refundable under any conditions.
3. In addition to the \$10 application fee, (1) ALL students ATTENDING CHOWAN COLLEGE FOR THE FIRST TIME must make an advance payment of \$50.00 by April 1. If accepted after April 1, payment must be made immediately upon acceptance. The payment will be applied to the student's account at the college. It is refundable only in case of serious illness or death in the student's immediate family. (2) ALL returning students must pay a \$50.00 advance payment by April 1. It is subject to refund due to academic deficiencies or as above. APPLICATION FOR REFUND MUST BE MADE IN WRITING BY THE STUDENT IN ALL CASES BY THE DATE FOR CLASS REGISTRATION FOR THE SEMESTER TO WHICH THE PAYMENT APPLIES.

(Refer to page 25 "Advance Payment".)

4. Students who formally withdraw from the college within two weeks after the beginning of a semester are entitled to a refund of 80 per cent of the fees paid; those who withdraw later than two weeks after a semester begins, but not later than three weeks, are entitled to a refund of 60 per cent of the fees paid; those who withdraw later than three weeks after a semester begins but not later than four weeks, are due a refund of 40 per cent of the fees paid; **and those who withdraw as late as five weeks after the beginning of a semester are entitled to no refund.** The advance payment (\$50) is not included in the refund. ANY STUDENT WHO IS ASKED TO WITHDRAW FROM THE COLLEGE AT ANY TIME FOR SOME INFRACTION OF THE RULES IS NOT ENTITLED TO ANY REFUND OR ANY PART OF THE FEES PAID FOR THAT SEMESTER.
5. Any student who is placed on probation for any reason whatsoever may lose his scholarship, special grant or financial aid during the period of this probation.
6. A student who loses, destroys, defaces, or in any way damages college property, or aids and abets others in so doing, shall,

within twenty-four hours, report this fact to the Business Manager. **If damages or losses are not individually accounted for, all students will be charged pro rata for such damages or losses.**

7. A student who moves from the room assigned **with permission** from the Director of Housing will be charged \$5.00. Moving **without permission** will incur a \$5.00 fine and may result in the student's return to the room originally assigned.
8. A deposit of \$5.00 is charged for the key to each room. The deposit is refunded when the original key is returned.
9. All students who keep an automobile on the campus or who drive to the campus are charged a \$15.00 fee per year, \$10.00 per semester, for the registration and parking of his automobile. Failure to register a car will result in a fine being levied upon the negligent student, not to exceed \$10.00, and may also result in the forfeiture of the privilege of keeping his car with him at college. Further, no student will be allowed to register a car belonging to someone other than himself, his parents, or his legal guardian. **All students are required to register their cars.**

GENERAL ENDOWMENT OF THE COLLEGE

The General Endowment of Chowan College is gradually increasing, and is carefully safeguarded as to its investment. The Planters National Bank and Trust Company of Rocky Mount and Ahoskie is the agent of the Chowan College General Endowment Fund.

The college Board of Trustees has begun a concentrated effort to increase the General Endowment to five million dollars. Gilbert W. Francis, attorney of Boykins, Virginia, is Chairman of the Endowment Committee, which is giving special time and effort to this endeavor. The book value of the Endowment Fund passed the \$500,000 mark in 1972, not only reaching a new high but making most significant growth in the history of the College.

Principal donors and the years in which the contributions were made are listed for information and as an evidence of appreciation:

Mrs. Mary Powell Murphy, Boston, Mass. (1973); Elizabeth P. (Mrs. O. P.) Snipes Estate, Lewiston (1973); David J. Pritchard Estate, Hertford (1973); Grady D. Smith Estate, Pitt County (1952); and a gift in 1927 by B. N. Duke, New York. Also, the Virginia National Bank, formerly the Meherrin Valley Bank of Boykins, Virginia, has made several substantial gifts to the General Endowment Fund.

Chowan College has been and can be benefitted greatly by bequests of friends and alumni, including gifts to the College for the Book of Memory, whereby friends and relatives memorialize deceased loved ones through contributions to the General Endowment Fund. Many others should make Chowan College a beneficiary to their estates through legacies, insurance policies, and trusts. College officials, when requested to do so by interested persons or their attorneys, will provide, at no obligation whatsoever, professional and legal advice regarding wills in behalf of the college. President Bruce E. Whitaker stands ready to counsel with such parties at their convenience. The legal name to be used for this purpose is **Chowan College**.

Suggested wording for those who wish to remember Chowan College in their wills: "I give, devise, and bequeath to Chowan College, Murfreesboro, Hertford County, North Carolina, (here insert the amount of money and/or describe the personal property or real estate) for the general purposes of Chowan College."

The Campus from the Air

ACADEMIC PROGRAM

Degrees Offered

Chowan College offers various Associate degrees, as well as certificates and diplomas in business and graphic arts (printing).

Programs of Study

Two programs of study are offered at Chowan: one, the first two years of college, leading to the B.S., B.A., and the various professional degrees in four-year colleges and universities; two, vocational programs for students who wish to enter specialized employment after graduation from Chowan. **All students must follow a curriculum as outlined in the college catalog.**

Department Honors Program: A number of departments in the college offer specialized honors programs for highly qualified students. Participation in these courses is by invitation only. Information on these is given under the departmental headings listed in the Courses of Instruction. Interested students should contact the chairman of the department in which they wish to study.

Requirements for Admission

1. Chowan College desires to enroll only those persons who are trustworthy and studious and who possess those qualities that make for a congenial adjustment to college life. Evidence of good moral character, seriousness of purpose, and desirable personal traits will be considered of first importance.
2. Every applicant for admission to the freshman class is required to take the Scholastic Aptitude Test of the College Entrance

Examination Board. The test is given in November, December, January, March, May, and July. It is recommended that the Scholastic Aptitude Test be taken early in the senior year.

Students wishing to make application to take the tests should procure application forms from their secondary schools or write directly to the College Entrance Examination Board, Box 592, Princeton, New Jersey 08540, or Box 1052, Berkeley, California 94701, for the **Bulletin of Information**, which includes an application form and is available without charge. The bulletin lists test centers and gives complete information concerning the tests.

Because of deadlines for filing application to take the College Board tests, the student must make his arrangements well in advance of the testing date so that his application may be received in Princeton or Berkeley by the closing date.

An applicant taking the tests later than February will necessarily delay action on his application for admission. Low scores on the College Board will not automatically be the basis for rejection of an applicant, but careful consideration will be given to the candidate's scholastic record in high school, evidences of character, purposes in life and motivation, and general fitness for college life at Chowan.

3. The basic academic requirement for admission is graduation from an approved high school with a minimum of eighteen (18) units. It is desirable, but not mandatory, that a liberal arts student submit:

English	4 units
Algebra	2 units
Foreign Language	2 units
Plane Geometry	1 unit
Lab. Science (other than general)	1 unit
Other Courses	8 units

A student who does not offer any one of the foregoing units and who plans to transfer to a college requiring them, or to follow a program of study in which they are required, will be expected to take them at Chowan.

The Board of Trustees of the College reserves the right to change Admission Requirements at any time.

Transfer Students

A transfer student is any student who has been enrolled in one or more courses in some other college, either for summer school or regular term.

Students who transfer from other colleges must have their academic transcripts sent to the Director of Admissions before being admitted. Chowan College will accept "D's" in transfer from other colleges if the student has a "C" average on all work attempted.

A transfer student will not be allowed to register at Chowan

College for a regular term if he is academically ineligible to return to the institution from which he is transferring. A transfer student who earns a minimum of six semester hours and twelve quality points during a summer session or nine semester hours and eighteen quality points during both summer sessions may be allowed to register for the following semester.

Special Students

Special Students who wish to receive credit for courses taken should follow the same admission procedure as regular students.

Veterans

Chowan College is fully approved by the Veterans Administration for the instruction of veterans. Veterans desiring to enroll should file with the Veterans Administration prior to making application to Chowan College. The Veterans Administration will forward all such applications to the college. In the event the candidate's program is not approved prior to registration, two months may be required to get approval.

International Students

Chowan College has been approved by the United States Immigration Service and the Office of Education for the admission of students from other countries.

Admission Procedure

To gain admission to the college, the prospective student who has not previously attended college should:

1. Obtain all necessary forms by writing to: Director of Admissions, Chowan College, Murfreesboro, N. C., 27855.
2. Fill out completely the application for admission and mail it along with a \$10.00 processing fee, which is not refundable, to the Director of Admissions.
3. Have the proper persons complete the remaining forms and return them to the Director of Admissions.
4. When notified of acceptance, make a \$50.00 (non-refundable) deposit by April 1. This is to be applied to the student's account with the college.
5. A student who desires to transfer to Chowan from another college should follow the same procedures, except that he must also request the registrar of the college previously attended to mail to the Director of Admissions a transcript

of academic work done by the prospective student.

6. Admission decisions will be rendered within ten days after the receipt of all application papers (application, high school transcript, medical report, and references).

NOTE: Students who are not graduates of approved high schools (including veterans who qualify under the G. E. D. test) may be admitted to the college by special permission.

Requirements for Graduation

To receive an associate degree, a student must satisfy the following requirements:

1. The student must have completed satisfactorily two years of college work, and must have obtained a minimum of 60 semester hours of credit in college work, **exclusive of physical education**. He must have completed at least 2 semester hours of credit in Physical Education.
2. A minimum quality point ratio of 2.0 is required for graduation. This means an average of "C" (2.0 quality point ratio on all work attempted).
3. The student must have pursued and completed a prescribed or approved curriculum as outlined in this catalog.
4. All students are required to take a minimum of one religion course for the first two consecutive semesters, unless the curriculum in which they are enrolled requires that it be taken during the sophomore year.
5. A student transferring from another college must complete a minimum of one semester of fifteen hours of college work, with a quality point ratio of 2.0 or better, at Chowan College.
6. Chowan College will accept a maximum of nine semester hours in correspondence courses from accredited institutions to be counted toward **requirements for graduation**.
7. Chowan College will accept in transfer a maximum of 9 semester hours of a student's last semester's work, in his prescribed curriculum at Chowan College, for graduation.

- A—Excellent
- B—Above Average
- C—Average
- D—Below Average
- F—Failing
- W—Withdrawal (Medical)
- WP—Withdrawal Passing
- WF—Withdrawal Failing
- NG—No Grade Reported
- I—Incomplete

The grade of "I" is recorded only in case of illness or emergency resulting in the student's not being able to complete the work of the course. If the work recorded as "I" is not completed before the end of the following semester it will be considered as equivalent to an "F".

All deficiencies must be removed thirty days before the end of the last term of the student's graduation year.

All grades are final three (3) months after the date of issuance.

Quality Point System

Students are awarded quality points on the basis of the grade they make:

- A—Four quality points per semester hour credit
- B—Three quality points per semester hour credit
- C—Two quality points per semester hour credit
- D—One quality point per semester hour credit
- F—No quality points or semester hour credit

A 2.0 quality point ratio is required for graduation. This means that a student must have at least two quality points for every hour attempted. All courses taken at the end of the “drop-add” period will be considered work attempted, with the last grade on repeat courses taking preference. Repeat courses will be considered “work attempted”.

Academic Honors

The attainment of the following cumulative grade point average entitles the graduating students to honors at Commencement:

Summa Cum Laude	3.80 to 4.00
Magna Cum Laude	3.50 to 3.79
Cum Laude	3.20 to 3.49

The following semester grade point averages entitle the student to honors in the academic year:

President's List	4.00
Dean's List	3.50 to 3.99
Honors List	3.00 to 3.49

Any grade below “C” will disqualify a student from placement on the President's List, Dean's List, or Honor's List.

Academic Regulations

REGISTRATION

Registration days are indicated on the campus calendar in the front of this catalog. All students should complete registration on the assigned days. Those students who enroll thereafter will be charged an additional fee of \$5.00.

REQUIREMENTS FOR CONTINUED ENROLLMENT

1. After a regular student has been enrolled at Chowan for two semesters, he must have earned a minimum of 18 semester hours and 36 quality points before enrolling for a third semester. (NOTE: A regular student is any student who in a given semester enrolls in 12 or more semester hours of work.)
2. After a regular student has been enrolled at Chowan for three semesters, he must have earned a minimum of 27 hours and 54 quality points before enrolling for a fourth semester.

3. If a regular student chooses to enroll at Chowan for a fifth semester, he must have accumulated a minimum of 36 hours and 72 quality points before enrollment.
4. If a regular student chooses to enroll at Chowan for a sixth semester, he must have accumulated a minimum of 45 hours and 90 quality points before enrollment.
5. No regular student who completes six semesters at Chowan will be permitted enrollment for additional study unless he has a "C" average on all work attempted.
6. A transfer student must earn a minimum of 9 semester hours and 18 quality points during his first regular semester at Chowan and 9 semester hours and 18 quality points each semester thereafter.

REGULAR STUDENT LOAD

The normal academic load for a regular student is 15-16 credit hours per semester. No student may carry more than 18 semester hours except by special permission from the Dean of the College. ALL REGULAR STUDENTS MUST CARRY A MINIMUM OF TWELVE HOURS PER SEMESTER. NON-CREDIT COURSES WILL NOT BE CONSIDERED IN MEETING CONTINUED ENROLLMENT REQUIREMENTS.

SPECIAL STUDENT LOAD

Special students are allowed to carry a maximum of 11 hours per semester. These may be credit hours, non-credit hours, or a combination of both.

REPORTS

At the end of each semester a report for each student is sent to the student and to his parents or guardians. This report contains the grades and the number of absences. These grades are recorded on the permanent records in the Registrar's Office. A progress report is sent to the parents or guardians and students at mid-semester.

SOPHOMORE CLASSIFICATION

To be classified as a sophomore, a student must have earned, by the beginning of his third semester, at least 25 hours and 50 quality points.

CLASS ABSENCES

Students are expected to attend all meetings of their classes. Professors will keep class attendance records and these records become a part of the student's official transcript. An excused absence may be allowed for the following reasons:

1. Illness of the student, verified by a doctor or by the college nurse on forms provided for this purpose. Boarding students too ill to attend classes must report to the infirmary, unless otherwise directed by the college nurse.

Excused Absences for Illness—Boarding Students: In order to be excused from classes for reason of personal illness, a

Boarding Student must report to the infirmary, prior to missing any class for which he seeks to be excused. The student must be confined to the infirmary or to his room for such period of time as the College Nurse deems necessary.

Excused Absences for Illness—Day Students; In order to be excused from classes for reasons of personal illness, a Day Student must bring an excuse from a parent or physician, certifying his illness.

2. Representation of the college, when such representation is reported by the appropriate faculty or staff member and approved by the Dean of the College.
3. Death of a member of a student's family.
4. Sickness in the family which requires the attention of the student, verified by a physician.
5. Selective Service Pre-induction Examination, when verified by a letter from a local Selective Service Board.

Appeals for excused absences other than those cited above can only be approved by the Dean of the College.

A student who wishes to be excused from class should report to the Office of the Registrar at least two days prior to the absence or **immediately** upon his return to class. He will be issued a Form 50 which must be submitted to the professor for his approval and returned to the Office of the Registrar within five (5) days after his return to classes. **If this action is not taken by the student, the absence will be recorded as unexcused.**

UNEXCUSED ABSENCES

Unexcused absences are those which are not listed under the above reasons for excused absences. Students may take the following number of unexcused absences without penalty:

In no class is a student permitted more than four unexcused absences. In classes that meet twice a week, the student will be permitted only three unexcused absences, in classes that meet only one time per week, two unexcused absences. No unexcused absences are permitted in laboratories. As an exception to this policy, honor students are permitted twice the number of unexcused absences listed above.

- a. After a first excessive unexcused absence, the student's grade in the class will be lowered by one letter grade.
- b. After a second excessive unexcused absence, the student will be given a grade of "F" on the course. Once a student has accumulated two excessive unexcused absences in a class, he no longer has the option of dropping the class without penalty.

A student may appeal any of the above actions to the Absence Committee by written application, co-signed by the professor. Such application should be submitted to the Chairman of the Absence Committee within (5) days after the student's return to class. If the committee agrees to permit credit, the student will be granted the privilege of making up the time and work in a manner satisfactory to the professor.

Three (3) class tardies will be treated as (1) unexcused absence. Tardiness is the failure to be in the classroom at the time of the tardy bell. A student who enters (10) minutes or later after the tardy bell automatically receives an unexcused absence, unless an acceptable excuse is presented.

It is always the student's responsibility to keep up with his absences, excused and unexcused, in his classes. In every case, the professor's record will be considered official as regards the number of absences a student has taken.

LOSS OF CREDIT

Normally a student who misses any class more than (12) times (to include both excused and unexcused absences) will not receive credit for the course. In a class which meets twice per week, the student may not miss in excess of eight (8) times and still receive credit; in a class that meets one time per week, a total of four (4) absences.

Excessive unexcused absences may result in a student being dismissed from the college.

CHAPEL-ASSEMBLY ABSENCES

All full-time regular students (those who carry 12 or more semester hours) are required to register for and to attend the chapel-assembly programs. Each student may accumulate as many as four (4) unexcused absences in a given semester without penalty. When a student accumulates five (5) unexcused absences, he will be placed on preliminary suspension. The accumulation of six (6) unexcused absences may result in suspension from the college.

PROCEDURE FOR CHANGING CLASSES AND COURSES

1. Obtain proper form from the Office of the Registrar.
2. Secure the approval and signature of adviser.
3. Secure the approvals and signatures of the professors in whose classes changes are being made.
4. Secure the approval and signature of the Dean of the College.
5. Return form to the Office of the Registrar.
6. A student who finds it necessary to change from one class to another class in the same course or from one course to another within the Drop-Add period listed in the Chowan College Catalog Calendar will transfer all unexcused and excused absences.

A student may be charged a fee of \$5.00 for each class change, if such a change is primarily for the personal convenience of the student. The Dean of the College will determine whether or not this fee will be charged, based on the merit of each case.

DROPPING OF COURSES

Courses may be dropped under the following circumstances:

1. Classes may be dropped without academic penalty as late as one week prior to the mid-term grading period. The last date for dropping a course without academic penalty is listed in

the catalog calendar. Courses dropped within this period are not listed on the student's permanent record.

2. Withdrawal from a course after the official drop period as listed in the catalog calendar will result in a grade of "F" on each course dropped.
3. Exceptions to item 2 may be made in extreme cases, such as the reasons given in the catalog for excused absences. These exceptions must be approved by the Dean of the College, the Absence Committee, or both. If the Dean of the College or the Absence Committee approves the dropping of a course because of extenuating circumstances, the student will receive a "WF" or "WP" on the course, unless the drop is medical, in which case the grade will be recorded as "W". A physician's certificate is required for a medical drop.
4. In order for a student to officially withdraw from a course, he must follow the "Procedure for Changing Classes and Courses", as outlined above. Unofficial withdrawals result in a grade of "F" on each course dropped.

REPEATING OF COURSES

1. In the event that a student repeats a course, the last grade earned will be considered his final grade, and will be considered work attempted.
2. Courses in which "D's" are earned will transfer to many senior institutions if the student has a "C" average on all work attempted at Chowan College.
3. Students in terminal programs should repeat any courses in which "D's" are earned if they are in their major area of concentration. However, any student will be allowed to continue if he does not repeat the course in which a "D" is earned.
4. It will be the responsibility of the student to determine if a "D" should be repeated. The college will not be responsible for "D's" that do not transfer to senior institutions.

RE-EXAMINATIONS

A final semester candidate for graduation may apply for only **one** re-examination if extenuating circumstances justify it. The decision in this matter will be made by the professor involved, the Dean of the College, and the chairman of the department. In case the chairman of the department is the professor, another professor will be called in to act.

No grade higher than a "C" may be assigned as a result of re-examination.

A special re-examination will not be given until the student has had adequate time to do further study, which, in the judgment of the professor, justifies a re-examination.

A re-examination must be authorized by the Dean of the College and preceded by the payment of the required \$5.00 fee.

MAKE-UP TESTS

All students who desire to make up a test or tests which were

missed due to excused absences will be required to make up the test or tests as specified by either the individual professor or departmental policy.

WITHDRAWAL FROM THE COLLEGE

1. A student who finds it necessary to withdraw from the college must consult with the Dean of the College and the Bursar and arrange for regular withdrawal. Unless this is done, honorable dismissal will not be granted. All withdrawals are initiated in the Office of the Dean of the College.

2. Students who withdraw after the mid-term grading period, which is designated in the Calendar of the catalog, will receive an "F" on all courses being taken at the time of withdrawal and hours will be counted as work attempted. Exceptions to this policy will be the following reasons:
 - a. Illness, in which case a physician's certificate must be presented and approved by the Dean of the College.
 - b. Death of a member of a student's family which would place a hardship on the family.
 - c. Sickness in a family which requires the attention of the student, verified by a physician.
 - d. Induction into the Armed Forces.

For students withdrawing from the college for the above reasons, semester hours will not be counted as work attempted and will be recorded as withdrawals from the college on the date indicated on the withdrawal form. For other withdrawals prior to the mid-term grading period, work will not be recorded as work attempted but will be recorded as withdrawals from the college on the date specified on the withdrawal form. When a student withdraws from the college after mid-term for any reason other than those listed above, the faculty members involved should submit to the office of the Registrar the student's grade card showing an "F" on the course which will be recorded on the transcript of the student. Also, the professor would show the student's actual grade which would be used by the Admissions Committee in determining the student's eligibility for re-admission to the College.

THE CURRICULA

Those students who, at the time of entering college, have not fully decided which course of study they desire to pursue are advised and urged to register for the liberal arts curriculum. Work in the liberal arts leads to degrees in teaching, medicine, religion, law, business administration, science, journalism, and various other professional fields.

Departments of Arts and Sciences

The study of the arts and sciences serves several purposes:

To Communicate. The development of the ability to communicate is greatly aided by the study of languages (including English) and related subjects.

To Inquire Accurately. The study of natural and social sciences provides students with that broad knowledge of the world and the universe which is so important to human experience.

To Understand. The study of the humanities brings an understanding of the cultural heritage of the Western World and stimulates an appreciation of other cultures as well.

To Encourage Moral Growth. The study of religion encourages the development of a mature philosophy of life, whereby one acquires worth and personally satisfying life goals and the ability to make appropriate value judgements.

To Reason. The study of the exact sciences challenges the individual to think independently and creatively, and helps to develop his skill in using the various methods of thought, research, and judgment.

In short, studies in the liberal arts and sciences broaden the

student's understanding of himself, his cultural heritage, and his universe, and, thus, provide him with a strong foundation on which he may add successfully, throughout his life, additional blocks of knowledge.

Cytotechnologists are skilled members of the health team with an indispensable role in the early detection of cancer. Working in pathology laboratories, they examine slides of human cells for abnormalities which indicate the presence of the disease. After two years of College, the student then takes six months of intensive training in an approved school of cytotechnology. In addition, a six-month apprenticeship is necessary before the person is eligible to take the examination in Exfoliative Cytology given by the Registry of Medical Technologists (ASCP).

Work in Art Class

Break Between Classes

The basic purpose of business is to provide young men and women with the necessary specialized training for a future of self-reliance and economic opportunity. Because the student of business should know the art of living as well as working, opportunities are offered for study in the arts, humanities, and sciences.

The Department of Business offers transfer and vocational courses and curricula to serve the needs of all students.

1. **Program for Transfer Students.** Two years of studies are available to the student who plans to graduate from a four-year institution. The student who wishes to major in in business administration, accounting, economics, finance, marketing, management, or secretarial administration, may qualify for junior-level status at a senior college or university by completing the first two years at Chowan College.
2. **Program for Vocational Students.** For the student who does not plan to continue his education beyond Chowan College, the Department of Business offers vocational programs in business-vocational training. The department has as its objective the preparation of the student for employment in the field of accounting, secretarial administration, or general office training. This entire program is so planned that any student who desires to transfer to a four-year institution may easily do so. He may contact the chairman of the department for additional information.

POLICIES

Typewriting:

Each student enrolled in the Department of Business who cannot type a minimum of 35 words per minute, with minimum errors, is advised to complete A MINIMUM OF ONE COLLEGE-LEVEL COURSE IN TYPEWRITING.

Any student (1) who has completed one full year, or more, in high school typewriting and-or (2) who can type a minimum of 35 words per minute, with a minimum of errors, will normally enroll in Typewriting 102 (Intermediate). Deviation from this policy must gain written approval of the student's advisor and the instructor concerned. The student's advisor will, of course, execute a report of approved typing option.

A minimum of two courses in college typewriting is required for all secretarial programs. Exceptions may be made where students achieve a speed level of more than 65 net words per minute, with no more than three errors, in a ten-minute writing, while enrolled in Typewriting 102. An approved substitution report will be executed by the student's advisor where such exceptions are made. A copy of this report will be furnished to the Registrar's Office, to the student, and a copy placed in the advisor's student file.

Shorthand:

Each secretarial student is placed in the shorthand course levels according to ability.

It is policy that the student enrolled in an associate secretarial curriculum normally complete a minimum of **THREE SEMESTERS IN SHORTHAND**. It is also established policy that all secretarial administration curricula require **SECRETARIAL OFFICE PROCEDURES 223**.

General:

A candidate for the Associate Degree in a business curriculum will satisfy the following requirements:

(a) A minimum of one course in Economics and one course in Accounting, with six additional hours in business or social science, or

(b) A minimum of two courses in a Foreign Language may be substituted for the Business Law courses.

Nancy Taylor (Business 100):

Each young lady enrolled in a business program should remove the requirement during the first year of the college program, unless otherwise instructed by her adviser.

Business Laboratories:

Laboratory facilities are available for students enrolled in business curricula between the hours of 4:30 and 6:00 p.m., Mondays through Thursdays.

College Accounting Testing Program:

All students, regardless of curriculum, who enroll in a third semester of work in college accounting will complete the College Accounting Testing Program that is sponsored by the American Institute of Certified Public Accountants. These tests are generally administered in October or May.

Department of Graphic Arts

The curriculum offered in printing technology by the Department of Graphic Arts is recognized as one of the finest in the country, and credit for courses completed are accepted by the senior institutions offering degrees in graphic arts.

The department enjoys a reputation for leadership in educating young men and women for opportunities in the graphic arts and publishing industry. This reputation has grown as a result of constant updating of modern facilities and equipment, improving the curriculum and maintaining a competent and experienced faculty.

The basic objective of the Department of Graphic Arts is to prepare students for successful careers in the printing, publishing and allied industries. The program of study is specifically directed toward careers in the areas of printing technology, printing production and printing management. The entire program is offered with a backdrop of liberal arts.

ENTRANCE REQUIREMENTS

General requirements for admission to the graphic arts program are given in the Academic Program section of this catalog. Other requisites include such things as an interest in printing, a keen and inquiring mind and industrious habits.

Of evident value to an applicant is participation in high school printing courses, extra-curricular activities in connection with a

school newspaper or yearbook or by employment in a printing establishment.

The two-year program is two-fold in that it offers the student an opportunity to prepare for a variety of positions in the printing and publishing industry. In addition, completion of the program earns the student an Associate Degree in Graphic Arts and prepares him for further study and a degree at a four-year institution.

PROGRAM OF STUDY

Although a description of courses in the graphic arts program follows, it is pertinent to present a brief picture of specific opportunities available to students.

Students receive training in letterpress composition and production, including advertising and page makeup as well as presswork. In this area they are taught linotype keyboarding teletypesetter perforator operation, machine maintenance and repair and monitoring of tape-operated typesetting machines.

Students are fully oriented and trained in electronic photo-setting equipment for both hot and cold type composition and paste-up. They also receive intensive study and training in offset camera and plate production as well as color separation and off-set press operation and maintenance.

Graphic arts students become proficient in their skills through participation in the production of all printing

Graphic arts students become proficient in their skills through participation in the production of all printing for the college, including catalogs, brochures, yearbooks and the production of a bi-weekly student newspaper and monthly college news-magazine.

111 Principles of Typography 3 semester hours

A review of the history of printing and basic fundamentals of graphic arts. Course includes instruction in printers' mathematics, elements in operation of photocomposition machines, both manual and automated, to set display and body type for various printing forms. Laboratory projects cover the assembling of various forms for newspaper production and commercial printing. Two hours lecture and three hours of laboratory per week.

112 Principles of Typography 3 semester hours

A study of typesetting machines, "hot metal" and photocomposition, and introduction in operation of the automated equipment. Laboratory periods include operation of typesetting machines, makeup of newspaper pages and advertisements. Two hours lecture and three hours of laboratory per week.

PREREQUISITE: 111 Principles of Typography and Typing 101.

121 Introductory Preparatory Offset 3 semester hours

An introduction to copy preparation, operation of the copying camera and related darkroom equipment. This class acquaints the student with line negatives, masking and platemaking procedures. Two hours lecture and three hours laboratory per week.

122 Introductory Preparatory Offset 3 semester hours

A continuation of 121 with an in-depth study of films, screens, and halftones. Detailed instruction is given on masking and platemaking equipment and procedure. Two hours lecture and three hours laboratory per week.

PREREQUISITE: 121 Introductory Preparatory Offset.

131 Elementary Presswork 3 semester hours

Basic fundamentals are stressed in the operation of hand-fed cylinder and automatically operated platen letterpress and offset presses. Laboratory experiences include make ready methods and procedures, imposition, lockup, and care and maintenance of equipment. Also a study of paper, inks, rollers and common pressroom problems. Two hours lecture and three hours laboratory per week.

132 Offset Production Methods 3 semester hours

A study is made of inks, papers, and chemicals used in the production of offset printing. Basic fundamentals are stressed in operation and maintenance of large offset presses, using actual production work on these presses as an integral part of the course. Two hours lecture and three hours laboratory per week.

PREREQUISITE: 131 Elementary Presswork.

213 Advanced Typography

3 semester hours

Development and practice of efficient procedures in Producing layouts for newspaper advertisements, commercial forms, book work with a continuation of 112 to provide additional Ludlow, Linotype and photocomposition experience. Laboratory periods include preparation of working layouts and composition of forms ready for printing by both letterpress and offset presses. Two hours lecture and three hours of laboratory per week.

214 Advanced Typography

3 semester hours

Development and practice of efficient procedures in producing layouts for newspaper advertisements, commercial forms, book work, with a continuation of 112. Laboratory periods include preparation of working layouts and composition of forms ready for printing by both letterpress and offset presses. Two hours lecture and three hours of laboratory per week.

PREREQUISITE: 213 Advanced Typography.

223 Advanced Preparatory Offset

3 semester hours

This course is an advanced study of a copying camera and related darkroom equipment. Duotone and direct color separation; densitometry, advanced masking and platemaking are stressed. Two hours lecture and three hours laboratory per week.

224 Advanced Preparatory Offset

3 semester hours

A continuation of 223, this course emphasizes the indirect color separation method. Detailed study is made of color correction, registering systems, four-color masking and platemaking. Instruction is also given on the very latest mechanical and computerized methods of photo-offset. Two hours lecture and three hours laboratory per week.

PREREQUISITE: 223 Advanced Preparatory Offset.

233 Advanced Production Methods

3 semester hours

This course consists of theory, practice and problems of offset work. Lectures and laboratory experience in sheetfed and web offset presses. The student is introduced to the production of two, three, and four-color process printing. Production of increasingly complex jobs are produced by offset printing. Two hours lecture and three hours laboratory work per week.

234 Productions Methods Seminar

3 semester hours

Provides the student an opportunity to put into practice the knowledge and experience gained in the previous courses in graphics. Actual production of complex jobs are to be produced. Special problems which are encountered in the maintenance and operation of the sheetfed and offset presses are an integral part of the course. Two hours lecture and three hours laboratory per week.

PREREQUISITE: 233 Advanced Production Methods.

DEPARTMENT OF HEALTH AND PHYSICAL EDUCATION

MR. JAMES G. GARRISON, Chairman

James G. Garrison
Chairman

101 Hygiene

3 semester hours

A course designed to give a general knowledge of the body that will result in a more wholesome life. Personal health problems are emphasized. Mental, physical, and social factors influencing health are studied. Three hours per week.

Women

101-102 Basic Physical Education for Women

1 semester hour each

Basic course requirements consisting of big muscle, finer muscles, and coordinating activities through participation in team and individual sports. Physical fitness, poise, gracefulness, wholesome attitude toward physical, mental, social, and emotional development are the desired objectives of this course. Activities which will be offered are volleyball, basketball, softball, speedball, tennis, badminton, tumbling, trampoline, basic rhythms, interpretive dance, and table tennis. Two hours per week.

103 Recreational Activities

1 semester hour

A course in indoor competitive sports, designed to be helpful in playground and church recreation. Three hours per week.

104 Beginning Modern Dance

1 semester hour

This course is designed to teach body conditioning, fundamental dance movement, and the basic concepts of dance composition. Recommended for anyone interested in stage movement, fitness, or dance appreciation.

105 Intermediate Modern Dance

1 semester hour

This course is a more extensive study in body movement, body conditioning, and dance composition. Improvisation and creativity are stressed.

PREREQUISITE: Physical Education 104 or permission of the instructor.

121 Beginning Swimming

1 semester hour

A beginners course in swimming which teaches elementary water activities and starts teaching the various strokes. Two hours per week.

122 Elementary and Advanced Swimming

1 semester hour

Teaches various strokes, water ballet, and life saving funda-

mentals. Senior life saving course will be given for those who qualify. Two hours per week.

Men

151-152 Basic Physical Education 1 semester hour each

Basic course consisting of conditioning activities of low and high organization, individual and team games to develop fundamental skills. The course is designed also to teach the basic rules and skills of at least three of the following games per semester—touch football, volleyball, basketball, soccer, softball, tennis, badminton, table tennis. Two hours per week.

153 Elementary Swimming 1 semester hour

Fundamental skills in executing various strokes are emphasized. Two hours per week.

154 Recreational Games 1 semester hour

Basic course in fundamentals and rules of games and minor sports. This course is designed for those interested in church, YMCA, Boy Scout, or school work. Two hours per week.

157 Tumbling and Apparatus 1 semester hour

Primarily basic work on mats, horizontal bars, and trampoline. Two hours per week.

258 Advanced Swimming 1 semester hour

Physical education 153 or its equivalent is a prerequisite for this course. A certificate for senior life saving goes with this course. Two hours per week.

DEPARTMENT OF LANGUAGES

107

MR. M. EUGENE WILLIAMS, Chairman

A student who has completed two years of a language in high school should be ready for our 201 classes. If he has had no previous study in language, he should register for a 101 class. If he has completed only one year of a language in high school, he should enroll in a 102 class.

However, if the student, having passed his language in high school, feels the need of strengthening himself, he may take a repeat course (upon the recommendation of the professor) for which he will receive credit. For example, if he had trouble with his first year's work, he may take a 101 class and he will receive credit when he satisfactorily completes the course. A conference with the professor will indicate which class the student should take.

No credit is given toward graduation for a 101 course until the 102 course is completed.

M. Eugene Williams
Chairman

French

101-102 Elementary French 3 semester hours each

For those with no previous study of the language. Fundamentals of grammar. Simple compositions. Constant training in pronunciation based on phonetics and the language laboratory. Simple readings during second semester. One lab period per week.

201-202 Intermediate French 3 semester hours each

Two years of high school French, or French 101 and 102, required. Rapid review of grammar, idiomatic constructions, and vocabulary. Short stories, a play, and a novel by selected authors are read. Frequent dictations and some conversational French.

251-252 Introduction to Literature 3 semester hours each

Rapid review of most difficult parts of grammar. Survey of French literature from Chanson de Roland to twentieth century, with particular emphasis upon seventeenth century selected writings. Library assignments and daily reports. Offered on demand.

PREREQUISITE: French 201-202 or equivalent.

Spanish

101-102 Elementary Spanish 3 semester hours each

This course is designed for those who wish to begin the study of language. Emphasis is placed on Spanish pronunciation, simple conversation, dictation, short compositions, and funda-

mentals of grammar. The language laboratory is used in addition to class periods.

201-202 Intermediate Spanish

3 semester hours

Two years of high-school Spanish or Spanish 101-102 are required. A review of Spanish conversational grammar is maintained by its utilization in the spoken language. Cultural aspects of Spanish speaking countries are brought through translations, dictations and discussions. The language laboratory is one hour per week in addition to the three class periods.

203-204 Spanish

3 semester hours each

Composition and conversation. Advanced training in speaking, grammar and comprehension. Intensive and methodical training in the acquisition of an active and idiomatic Spanish speaking vocabulary. Readings are from contemporary selections. Three hours a week both semesters with one hour per week in the language laboratory. Three hours credit each semester. This course is designed for students who have had three or more years of spoken Spanish. Offered on demand.

251 Spanish Literature from the Beginning to 1700

3 semester hours

This is a survey course designed to give students a comprehensive study of Spanish literature from its beginning up to the eighteenth century. It offers a well-rounded critical appraisal of the outstanding works and personalities of a great civilization and the political, social and artistic backgrounds that produced the literature. The main currents of Spanish literature studied include Poema de Mio Cid, and selections from Jorge Manrique, Fernando de Rojas, Miguel de Cervantes, and Lope de Vega. Written and oral reports are required from parallel readings.

PREREQUISITE: Spanish 201-202 or its equivalent.

252 Spanish Literature from 1700-1900

3 semester hours

This is a survey course designed to give students a comprehensive study of major Spanish writers from the eighteenth to the twentieth century. It offers a well-rounded critical appraisal of the outstanding works and personalities of a great civilization and the political, social and artistic background that produced the literature. The main currents of Spanish literature studied include Gustavo Adolfo Becquer, Benito Perez Galdos, Miguel de Uanmuno, Antonio Machado, Juan Ramon Jimenez, Frederico Garcia Lorca, Rafael Alberti and Miguel Hernandez. Written and oral reports are required from parallel readings.

PREREQUISITE: Spanish 201-202 or its equivalent.

DEPARTMENT OF MATHEMATICS

MR. CARL H. SIMMONS, Acting Chairman

Carl H. Simmons
Acting Chairman

3 Plane Geometry

No credit

This course is comparable to a high school course in Euclidean geometry. This course is designed to give students a collection of geometric facts, an understanding and appreciation for the deductive process of reasoning, and an opportunity to engage in original thinking.

This course is designed for students whose high school transcripts indicate a deficiency in Geometry.

101-102 Introduction to Mathematics 3 semester hours each

A study of basic concepts and the structure of mathematics, without undue concern for mathematical procedures. For the student with moderate secondary school training in mathematics desiring a terminal course outside the math-science curricula. Appropriate for prospective elementary school teachers.

Topics studied in Math 101: Sets, mathematical systems, development of the real number system, number bases, and truth tables.

Topics studied in Math 102: Elementary geometry, evolution of geometry, introduction to algebra, functions and relations, and concepts of logic.

103 College Algebra

3 semester hours

Standard college algebra course for freshmen. Topics discussed are: the real and complex number systems; sets and set operations; linear, quadratic, and exponential functions; systems of equations and inequalities, elementary matrices, and determinants; mathematical induction.

PREREQUISITE: Satisfactory score on placement test.

105 Analytic Trigonometry

3 semester hours

This course is a study of trigonometry. The topics discussed are: The trigonometric functions, logarithmic functions, inverse functions, radian measure, solution of triangles and applications. Three hours per week.

PREREQUISITE: Mathematics 103 and Plane Geometry.

109 Algebra and Trigonometry

5 semester hours

This is an integrated course in algebra and trigonometry. The topics are: the real and complex number systems; linear, quadratic, exponential, logarithmic, trigonometric, and inverse functions; inequalities, matrices, series, probability. This course will satisfy the Mathematics 103-105 requirements. Five hours per week.

PREREQUISITE: An above average score on the mathematics placement examination.

111 Engineering Drawing 2 semester hours

Free-hand lettering, orthographic projection, auxiliary views sectional views, use of working drawing, isometric projection, technical sketching, perspective, pencil and ink tracing. One hour lecture, 2 hours laboratory per week.

112 Descriptive Geometry 2 semester hours

Topics discussed are edge and normal views, straight lines and planes, curved lines, curved and warped surfaces, intersections, developments and vector geometry. One hour lecture, 2 hours laboratory per week.

210 Analytic Geometry and Calculus 4 semester hours

The first of three semesters of unified course in analytic geometry and calculus. The topics studied are: the real number system; cartesian coordinates; functions; limits and continuity; the derivative; differentiation of algebraic functions; application of deviratives; and antiderivatives.

PREREQUISITES: Math 109 or Math 103 and Math 105.

211 Analytic Geometry and Calculus 4 semester hours

The second of three semesters of unified course in analytic geometry and calculus. The topics studied are: definite integrals; application of definite integrals; conics; transcendal functions; technique of integration; popularcoordinates; parameticequations; improper integrals; and indeterminate forms.

PREREQUISITE: Math 210.

212 Analytic Geometry and Calculus 4 semester hours

The third of three semesters of unified course in analytic geometry and calculus. The topics studied are: three-dimensional space; partial differentiation; multiple integrals; infinite series; and differential equations.

PREREQUISITE: Math 211.

DEPARTMENT OF RELIGION AND PHILOSOPHY

113

MRS. DAISY LOU MIXON, Chairman

Mrs. Daisy Lou Mixon
Chairman

101 Understanding The Old Testament 3 semester hours

This course aims to introduce the student to the range and depth of the spiritual heritage from Ancient Israel which has profoundly influenced Western Civilization.

102 Understanding the New Testament 3 semester hours

This course aims to introduce the student to the writings of the New Testament through a unifying approach by combining historical, theological, and literary perspectives.

PREREQUISITE: Religion 101.

103 Religion 3 semester hours

TRAVEL IN ISREAL: This course is designed to introduce the student, through travel and lecture, to the archaeology, geography, and history of Biblical lands. It is offered every two years between the fall and the spring semesters.

121 Honors Program in Religion 3 semester hours

A second semester freshman with an over-all average of at least 3.0 on all work attempted may elect to do a religion honor rather than take Religion 102. This program will carry three semester hours credit. This honors program will be offered during the Spring Semester of each year, the subject being announced during the preceding Fall Semester. Participants will be involved in one major research project each semester. Much of the student's work will be on an individual basis under the supervision of the professor who directs this program.

101 Introduction to Philosophy 3 semester hours

This course is designed to introduce students to philosophical concepts and problems through consideration of representative philosophers. Open to sophomores.

DEPARTMENT OF SCIENCE

DR. GARTH D. FAILE, Chairman

Dr. Garth D. Faile

Biology

101 General Biology 4 semester hours

This is a study of the problems common to all life. The method used by living organisms to solve these problems on the cellular, organismic, and the population levels will be stressed. Three hours of lecture and one three-hour laboratory per week.

111 General Zoology 4 semester hours

This is a course of the general principles and problems of animal biology, with special emphasis given to cellular organization and control, organ-systems and their physiology, evolutionary relationships among the major animal phyla, embryology, genetics, and ecology. Laboratory work will consist of the important zoological principles and the study of representatives from the animal kingdom. Three lecture hours and one three-hour laboratory per week.

PREREQUISITE: General Biology 101.

121 General Botany 4 semester hours

This is a study of the form, processes, evolution, classification, and interrelationships of plants. Three hours lecture and one three-hour laboratory per week.

PREREQUISITE: General Biology 101.

123 Human Biology 4 semester hours

This survey of human biology presents an integrated concept of the normal structure and function of the various parts of the body and some of the pathological conditions which affect these parts. Through readings, discussions, and demonstrations the student comes to appreciate and to better understand each of the systems. Medical terminology, with the significance of its prefixes and suffixes, is emphasized throughout the course.

Medical secretarial and pre-optometry students only. Three hours of lecture and one three hour laboratory per week.

221 Anatomy 4 semester hours

A study of the human body. Emphasis is placed on the structural relationships between cells and tissues and organs and systems. Classroom and laboratory procedures enable the student to visualize and comprehend the unity and efficiency of the body as a whole. Three lecture and 3 laboratory hours a week.

222 Physiology 4 semester hours

An understanding of the fundamental chemical and physical processes as they occur throughout the human body is developed.

The relation of function to structure is stressed. Current theories are explored in lectures and discussions. Changes in the various systems are demonstrated and measured in the laboratory in order that the student may acquire a knowledge of the mechanisms which maintain a relatively constant internal environment. Three lecture and 3 laboratory hours a week.

PREREQUISITES: Biology 221 and Chemistry 102, or permission of the department.

241 Microbiology 4 semester hours

A study of the morphology, fundamental physiological processes, and identification of micro-organisms with emphasis on bacteria. The relationship of bacteria to sanitation, to personal and public health, and to food preservation is stressed. Three hours lecture and 3 hours laboratory per week.

PREREQUISITES: Biology 101 and Chemistry 102, or permission of the department.

Chemistry

102-103 4 semester hours each

This course emphasizes the fundamental principles, theories, laws and basic concepts of chemistry. Special consideration is given to writing and balancing equations. The 103 laboratory includes semimicro qualitative analysis. Three lecture and 3 laboratory hours per week.

COREQUISITE: Eligibility to take Math 103.

275-276 Organic Chemistry 4 semester hours each

This course will include a systematic study of the various aliphatic and aromatic hydrocarbons and their derivatives with emphasis on modern theories of structure and reactivity. The laboratory will include the synthesis, purification and identification of organic compounds. Three lecture and three laboratory hours per week.

PREREQUISITES: Chemistry 102-103.

Physics

101 Physics. The Physical Universe 4 semester hours

Survey of the physical universe, from galaxies to elementary particles. Uniform motion of a particle in a straight line and in a circle. Newton's laws of motion; gravitational, electric, and magnetic forces on a particle. Momentum and impulse; work and energy; physics of space exploration; motion and interference of waves. Designed for students with no previous education in physics, who are interested in learning the methods and achievements of physics and the understanding of the natural

world which it provides. Three lectures and one two-hour laboratory period per week.

PREREQUISITE: One unit of high school algebra and one unit of high school geometry or permission of instructor.

102 Physics. Microphysics

4 semester hours

Fluid statics; elementary kinetic theory of an ideal gas; heat, thermal conduction, first law of thermodynamics. Sound waves and acoustic phenomena. Electrostatics of point charge in free space; steady currents and circuits. Light waves, interference and diffraction phenomena, photoelectric effect. Bohr model of the atom, mechanism of lasers; radioactivity and nuclear physics. Science and public affairs. Three lectures, and one two-hour laboratory per week.

PREREQUISITES: Physics 101 or high school physics; one unit of high school geometry.

203 Physics. Macrophysics.

4 semester hours

Statics and dynamics of a particle in three dimensions; collisions; simple harmonic motion; superposition of sinusoidal waves. Capacitance; electromagnetism; magnetic forces and currents, Ampere's Law. Faraday's Law, Lenz's Law, self-inductance. Series LRC circuits with steady-state sinusoidal current. Electrical instruments and machines. Geometrical optics and optical instruments. Three lectures and one two-hour laboratory per week.

PREREQUISITES: Physics 102 or equivalent; three years of high school mathematics or Mathematics 103.

204 Physics. Analytical Physics

3 semester hours

Mechanics of a system of particles; rotational kinematics and dynamics, angular momentum, torque, dynamics of rigid bodies; fluid dynamics. Kinetic theory and specific heats of non-ideal gases; entropy, second law of thermodynamics, heat engines. Electrostatics of symmetrical conductors in free space. Gauss's Law; magnetic materials, magnetic fields due to currents; energy in electromagnetic fields. Physical optics; diffraction and polarization phenomena. Special theory of relativity. Quantum physics; beginnings of quantum theory, wave particle duality of elementary particles. Three lectures per week.

PREREQUISITES: Physics 203 or equivalent and Mathematics 210.

204A Physics. Analytical Physics Laboratory

1 semester hours

Optional laboratory to accompany topics studied in Physics 204. Three hours laboratory per week.

COREQUISITE: Physics 204.

Department of Social Science

MR. WARREN G. SEXTON, Acting Chairman

117

101-102 Western Civilization

3 semester hours each

A survey of history from the ancient times to the present. In the first course, emphasis is on major civilizations of the Near East, Greece, Rome, the Middle Ages, the Renaissance and the Reformation. The second course covers the leading events in world history from the early modern period through the present.

201-202 United States History

3 semester hours each

A survey of the influences and forces that have made our country what it is today. Outside reading in primary and secondary sources.

Warren G. Sexton
Acting Chairman

Sociology

205 Sociology

3 semester hours

An introduction to the concepts of sociology, the structure and function of society. A basic course designed to meet the needs of beginners in this field.

207 Marriage and the Family

3 semester hours

An intensive study of the American family as a basic institution in our culture, involving an analysis of courtship and marriage as well as the organization and function of the family. Open to freshmen with the approval of the professor.

210 Social Problems

3 semester hours

A study in greater depth of the major problems of society including crime, minority relations, social conflict, mental health, and poverty.

PREREQUISITE: Sociology 205 or the approval of the professor.

Government

108 Government

3 semester hours

Objective is to acquaint the student with the basic principles, organization, and functions of American national government. A brief view is also taken of state governments.

Geography

151 Introductory Geography

3 semester hours

This course is designed to introduce the student to the interrelationships that exist between man and his physical

environment. Elements and classifications of the physical environment, man's ability to adjust to or alter that environment, and the geographical processes resulting from that interaction will all be analyzed as they appear in major regions of the world. A textbook, class lectures, film strips, and outside reading requirements will be utilized in accomplishing this objective.

Psychology

201 General Psychology

3 semester hours

This course is a survey of the problems, principles and methods of psychology. The study leads to advanced study in psychology.

SOCIAL SCIENCE HONORS

An honors might be taught parallel to any course in the Social Science Department and would be designated by an "H" after the number of the course. An honors involves an intensified study of the subject matter of the regular course and would involve research projects and seminar work. The students would be a limited number chosen by the professors. The course would carry three semester hours credit. An attempt will be made to schedule one honors each year.
